Re: Confirmation of inclusion in the CTACSub2 Group’s application for authorization of certain uses of chromium trioxide

Jones Day as Manager of the CTACSub2 Group for the application for authorization (“Afa”) covering twelve uses of chromium trioxide under Regulation (EC) No 1907/2006 (the “REACH Regulation”)¹ hereby

CONFIRMS

that the companies listed in Annex I are participants in the CTACSub2 Group, and as such qualify as downstream users within the meaning of Articles 3(13) and 56(2) of the REACH Regulation, and are covered by the Afa for the specific uses concerned.²

Kind regards,

Preslava Dilkova

¹ Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC.

² See the declaration by Ramboll Deutschland GmbH at page 3 of the Chemical Safety Assessment Reports referenced in Annex I. Additional information is available on the website of the European Chemicals Agency at the following [link](#).
